2024/2025  
SEASON

# Welcome to Gresley Rovers Football Club

Thank you for taking the time to read through this seasons new sponsorship opportunities.

As I write and prepare this new brochure, it can only be described as a roller coaster of 12 months and I would expect more to come.

Gresley Rovers support continues to grow, with us recording some of the highest attendances last year. Next season in Step 5 we are confident we can increase this further.

We have grown immensely on and off the pitch with our Girls and Ladies teams. We now help support something like 150 young girls and ladies to play football and a further 150 young boys, with us growing teams as fast as we can get the coaches for them.

The Girls and Ladies team had fantastic success with the Ladies and Under 16's both winning their respective leagues, which from a standing start was nothing short of miraculous. Their growth will continue during the next season, with the expectation of raising another 2 new teams.

The boys team continue to increase in numbers and we see them as the future of the club, where we try to ensure that they have a pathway to the first team.

Our key is to have players that will always have Gresley Rovers at their heart. To that end some of you will have noticed a subtle change to the badge this season? It now reads Gresley Rovers Football Club, which all teams will wear as new kits are brought on line. This represents the togetherness of all of the teams throughout the club and show we are just one club.

This is all fantastic for the club, but it takes support and that is where we need your help. Sponsorship is our lifeblood to ensure that we can function daily and that we continue to have a football club.

We are in discussions with the council over a proposed site for a new ground, so please keep an eye on the club website and don't forget to attend the fans forums for more updates.
